- Technique: Videography techniques (20%)
- Impact: Interest, attractiveness and eye-catching appeal (20%)
- Storytelling: Conveying stories and content (10%)
- Creativity: Originality and creativity (10%)

Contest Rules (Please read carefully)

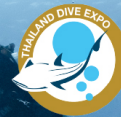

1. TDEX Underwater Moment Video Contest 2025 is open to videographer of all levels
2. NCC staffs (the "organizer"), the judging panel, and anyone involved in organizing the contest are not eligible to enter.
3. Entrants must be individuals or groups who have filmed the video themselves. Submitting videos filmed by others or submitting on behalf of others is strictly prohibited.
4. Submitted videos must be between 15 and 60 seconds long, with at least 50% of the footage underwater. Split-shot videos (showing both above and below water in the same frame) count toward the underwater footage requirement.
5. Submitted videos must not contain watermarks or any symbols indicating ownership or editing software/apps.
6. Each participant may submit up to three videos. However, if multiple submissions win, only the highest-ranking prize will be awarded.

/Contest Rules... (continue next page)

The banner features a blue background with an underwater scene showing a large whale shark swimming towards the left, and several divers in the foreground. The text 'TDEX 2025 UNDERWATER MOMENT VIDEO CONTEST' is prominently displayed in white and orange. In the top right corner, there is a circular logo for 'THAILAND DIVE EXPO' and the text 'THAILAND DIVE EXPO'. At the bottom right, it says 'FINAL SUBMISSION 22 APRIL 2025'. At the bottom left, it says 'VIDEO LENGTH : 15-60 SECONDS'.

Contest Rules

7. Qualified entries must convey a positive conservation message and must not depict any actions that negatively impact marine life or ecosystems. Videographers must avoid portraying provocative violence or distress that could cause physical harm or psychological stress to the environment or marine life.
8. Submitted videos must NOT have won awards in any competitions prior to the final submission date of the TDEX Underwater Moment Video Contest 2025. (22 April 2025)
9. Videos filmed in restricted areas or featuring specific wildlife must comply with local laws, rules, and regulations. Contestants must provide valid permits or licenses from tour operators or themselves as essential documentation. Failure to provide these documents, or submission of fraudulent documents, will result in immediate disqualification.
10. The judging panel may request the original, unedited video or consecutive shots. Failure to provide the original footage within a specified timeframe may result in disqualification.
11. Editing is allowed, but the use of AI to create or remove video elements is strictly prohibited and will result in immediate disqualification.
12. All winning submissions become the property of N.C.C. Management & Development Ltd., the organizers of the Thailand Dive Expo. While creators retain copyright to their videos, the Organizer reserves the right to publish and has the authority to grant use of those videos on online/social media platforms, including those of the expo's allies and supporters. The purpose is to promote the Organizer's corporate image and marketing communication without paying copyright fees to the videographers. The Organizer will inform videographers of the intended uses and will credit them for the use of the selected videos.
13. By submitting an entry, contestants acknowledge and agree to comply with all rules and regulations outlined in this contest
14. The decision of the contest committee is final.
15. In case of disputes regarding the final decision, a petition must be filed within three (3) days after the announcement.
